

About Us

Genvio Group is pleased to announce the “International conference on Pharmaceuticals and Drug Delivery Systems” to be held on Nov 26-27, 2024 at Dubai, UAE. This event is designed for pharma professionals, physicians, physician assistants, advanced practice providers and nurses in health care, who provide care to patients with latest pharma research and novel treatments on the horizon. In addition, a multidisciplinary approach to drug formulation and delivery will be presented. This conference features state of the art presentations and discussions on current practice and new developments in pharmaceutical sciences and focus on the theme “Exploration of the frontiers in the field of Pharmaceutical Sciences”.

VENUE

Dubai- the knowledge hub is famous for world's largest shopping and entertainment destinations, uncovered hidden gems in a traditional souk, fun-filled attractions, water and theme parks, all in a single sightseeing itinerary. Dubai's smart transformation will empower, deliver and promote an efficient, seamless, safe and impactful city experience for visitors. Dubai provides 30day visa on arrival for citizens of many countries. Some of the Dubai attractions include: Burj Khalifa, Dubai Fountain, Burj Al Arab, Madinat Jumeirah, Ski Dubai, Dubai Aquarium and underwater zoo.

Join us at the conference and also witness the beautiful city of Dubai.
